

Dear Recruiter,

I hope this letter finds you well. My name is MD Nadiruzzaman Nibras and I am writing about the Developer role.

I recently completed a web development course in which I did two projects with MERN Stack. I also know HTML, CSS, JavaScript, React JS, Tailwind CSS, Bootstrap, and Node JS. I have done group projects where I've explored new and used them. I am constantly working to improve my skills.

I have attached a copy of my Resume detailing the links to websites and applications I have worked on.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Md Nadiruzzaman Nibras
